Come join us for a week of Fun and Fashion. Experienced fashion designers Kathleen Gephart and Nancy Kozlik will take you thru a week of creative fashion design and construction. We will talk about the latest trends in design, color and silhouette to generate concepts and ideas. We will take these ideas and put together design boards using magazine pictures and fabric swatches. From there we will learn how to draw the fashion figure, choose our favorite design and create a pattern for a skirt or pair of pajama pants. We will throw in some surprise “design challenges” to stretch our creativity. At the end of the week we will plan and put on a fashion show for the parents with music and snacks.

Students will be expected to bring a lunch and a drink. A trip to the fabric store will be necessary to purchase materials. Sign up early as space is limited. Registration fee is 250.00. Registration forms are available at Essex Town Hall or on line at www.essexct.gov. For more information please contact Essex Park and Recreation Department 767-4340 x110
